

Data Governance Maturity Assessment

HOW OUR DATA GOVERNANCE MATURITY ASSESSMENT HELPS

Billigence's maturity assessment will help you to identify gaps, prioritise what you need to focus on, provide a value aligned road map & help align with all your stakeholders.

HOW DATA GOVERNANCE CAN SUPPORT ORGANISATIONS OF ANY SIZE, NOT JUST LARGE, REGULATED INDUSTRIES

- » KNOWING YOUR DATA MEANS YOU CAN MAKE DATA DRIVEN DECISIONS QUICKER
- » REDUCE RISK OF DATA BREACHES AND COMPLY WITH GDPR OBLIGATIONS
- » THE RIGHT DATA IS AVAILABLE AT THE RIGHT TIME
- » DISCOVER AND LEVERAGE ALL THE DATA IN YOUR ORGANISATION

HOW CAN BILLIGENCE HELP

REDUCE RISK OF DATA BREACHES, COMPLY WITH GDPR OBLIGATIONS, DISCOVER AND LEVERAGE ALL THE DATA IN YOUR ORGANISATION.

Our Data Governance experts ensure success from the initial consultation through to ongoing support. Combining industry knowledge and experience, objectivity, and business focus to provide you with a unique opportunity to make improvements to your organisation right away.

WHAT WE DELIVER

1. WORKSHOPS

Interactive sessions with stakeholders, questionnaires and discussions

2. CURRENT STATE ASSESSMENTS

Robust scoring framework with customised questionnaires

3. GAP ANALYSIS

Document, analyse and prioritise pain-points and opportunities

4. ROADMAP & RECOMMENDATIONS

Taking your data governance project into implementation stages, demonstrating business value

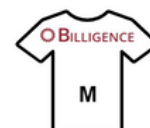

5. DATA GOVERNANCE MATURITY DOCUMENTS

Demonstrating progress to sponsors and senior business stakeholders. Giving reassurance and clear pathways

Once the assessment is complete, you will have a prioritised, actionable plan so you can focus on the right areas of data governance at the right time.

CHOOSE YOUR BEST FIT
